

### **Ireland's Women in Finance Charter Annual Reporting Template 2024**

Welcome to the 2024 Annual Reporting Template for Ireland's Women in Finance Charter. Thank you for agreeing to provide this data on behalf of your firm.

The Annual Reporting Template is only for firms who are signatories to Ireland's Women in Finance Charter and who have completed their Baseline Template in 2023. Please ensure that these steps have been completed before proceeding. Further information and guidance on the commitments of the Charter is available at:

https://www.betterbalance.ie/partners/

In the following Annual Reporting Template, you will be asked to complete a short series of questions related to the gender balance in your place of work, as well as any representation targets undertaken by your firm in the last calendar year. You can partially complete the survey, save your progress, and return later.

The information you will be asked to provide will be at the firm level, therefore individuals within your firm will **not be identifiable**. Data gathered by this template is confidential and will be reported in an **anonymised** way only. While the survey is underway, the data is stored securely and in compliance with GDPR on the LimeSurvey servers and can only be accessed by the ESRI study team with two factor authentication. When the survey wave is completed, the data will be stored securely by the ESRI in an anonymised format and in compliance with GDPR. In parallel, under the Charter, firms commit to making information on progress towards targets publicly available.

If you have any questions related to the Annual Reporting Template or the use of this data, please contact the ESRI research team at <a href="womeninfinance@esri.ie">womeninfinance@esri.ie</a>.

Please, click 'Next' to proceed to the template.
